**Old Business :** We will continue working on the golf cart, ATV, (ORV) ordinance as it applies to the township. Some key takeaways are the rear view mirror, the triangular sign, proper working lights, age, valid driver's license. There was discussion in regards to the ordinance, however, the sentiment of the commission felt that the rough draft awaits input from the township attorney.

It was determined that the Planning Commission will wait to see what the township attorney produces based on our recommendations and suggestions. The PC will review what the attorney sends out and make changes/suggestions. It was not known if a public hearing is necessary, Andy Nesbitt will look into this.
