Old Business: Marijuana Ordinance:

Devin Loker went through his recommendations with the Planning Commission. Through the discussion we came to the conclusion that it might

be best to eliminate the medical marijuana ordinance. It was also thought we do not need to expand grow facilities nor outdoor facilities. No need to expand recreational marijuana licenses.

Mr. Loker will write up the recommendations and give them to Mr. Moraitis to put into our ordinances and give to the township board at the next meeting.

Mr. Moraitis will also continue to look at our assembly ordinance to see if a large festival ordinance is necessary.
